for EVERYONE everywhere

From humble beginnings in Hyderabad to the global stage, Hetero has always been driven by one mission: to make life-saving medicines accessible without boundaries.

After 30+ years of pharmaceutical excellence, we proudly stand with

1000+partners

united in our vision to extend the reach of these vital medicines.

Together, we've impacted over a

billion lives

not just numbers, but real people, each with their own story.

Dr. Bandi Parthasaradhi Reddy
Chairman, Hetero Group of Companies

From the remote corners of Cambodia to the heart of Colombia, from villages in Kenya to the Philippines, we strive to make health not just accessible, but a fundamental human right.

Our journey is about more than pharmaceutical production, it's about people. Mothers, fathers, children and entire communities. Every milestone reflects our steadfast commitment to making life-saving medicines affordable and accessible to everyone, everywhere.

Dr. Vamsi Krishna Bandi
Managing Director
Hetero Group of Companies

Affordable **Biosimilars** for Global Health

Unmatched R&D and Manufacturing

Our advanced facilities and expert teams ensure top quality, safety, efficacy, and scalable, cGMP-compliant production.

Regulatory and Clinical Mastery

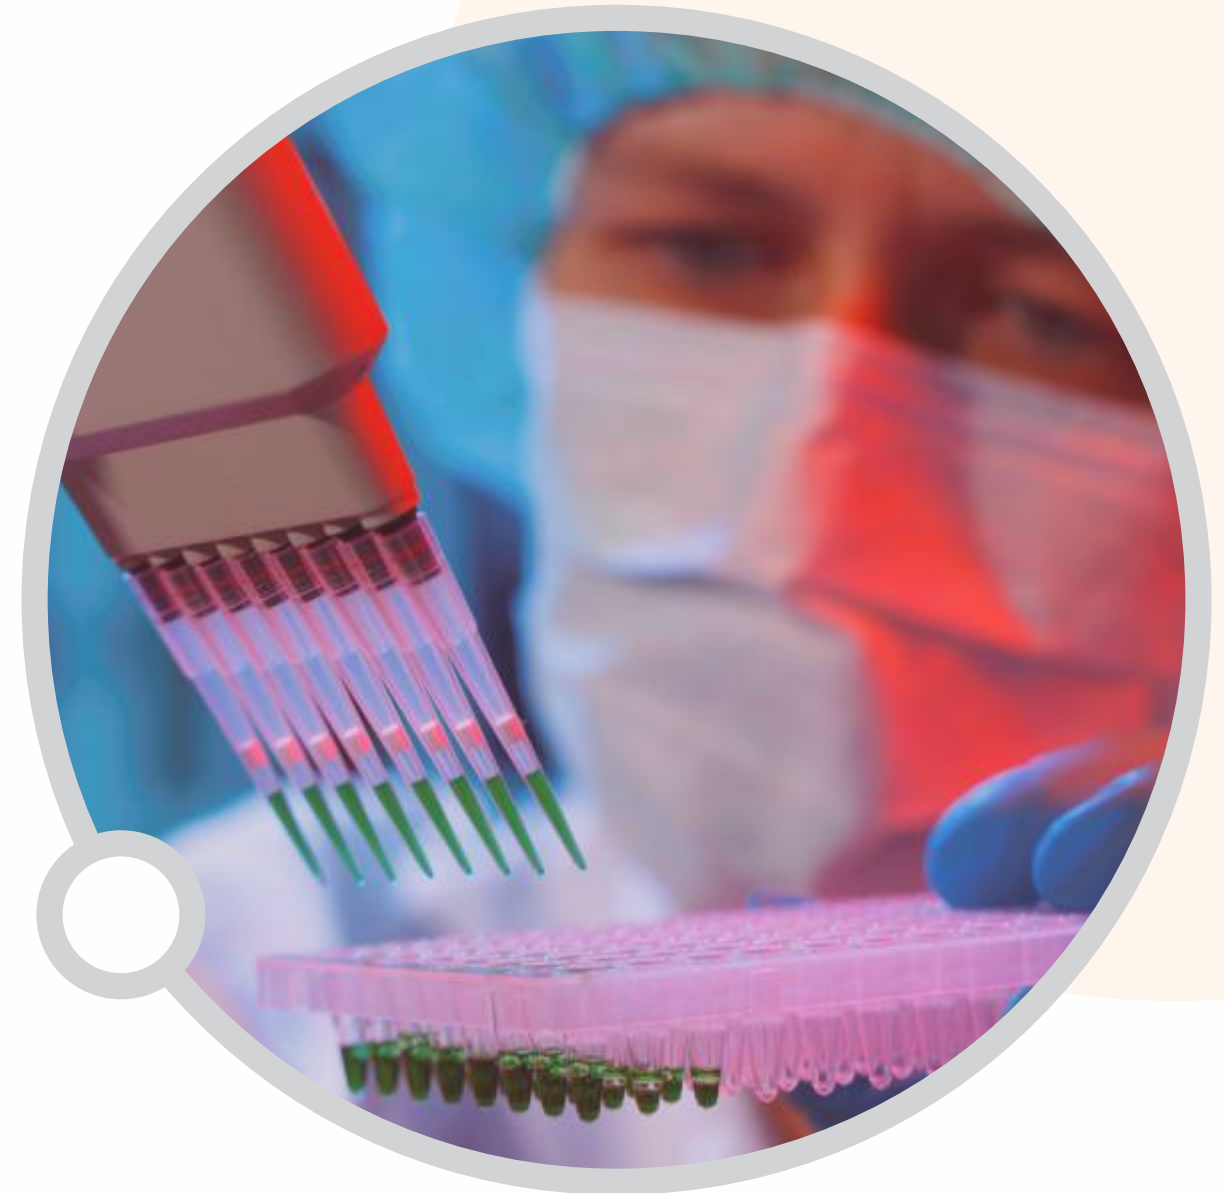

With an unmatched global regulatory track record and a dedicated team, we ensure compliance with the highest international standards throughout clinical evaluation.

Global Reach, Real Impact

With **9 biosimilars** launched, we're improving patient outcomes, reducing healthcare costs, and transforming global access to life-saving medicines.

Leadership in Patient Care

Our biosimilars like Trastuzumab and Darbepoetin alfa are reshaping healthcare by challenging high-cost models and expanding treatment options.

everywhere

Custom Manufacturing Expertise, Perfectly Delivered

Accelerate Your Market Entry

Our CDMO division accelerates your go-to-market strategies with customized manufacturing services for APIs, Finished Dosages, Cytotoxic APIs, Injectables, and Biosimilars.

Partnering for Success

Partnering with us as your CPS provider ensures economies of scale, top-tier quality, early market entry, and reliable on-time delivery.

Comprehensive Services

We provide end-to-end contract R&D, including clinical supply, commercial scale-up, and seamless technology transfer for products and processes.

Customer-Centric Project Management Framework

Our project management teams ensure end-to-end support, seamless execution, and timely delivery, focusing on customer needs and accelerating access to life-saving pharmaceuticals.

for EVERYONE
everywhere

Advancing frontiers of **Global Access**

Since 1997, Hetero has been at the forefront of affordable ARV production, with 30+ combinations treating nearly 40% of the world's HIV/AIDS patients.

- **ARV Therapies**

- Introduced first-line and second-line antiretroviral regimens, and protease inhibitors for treating and preventing HIV infection
- Geared up to introduce long-acting antiretroviral products with the potential to transform HIV prevention and treatment approaches

- **Expanding Access to Hepatitis Treatments**

We were among the first to introduce life-saving hepatitis drugs through strategic global licensing agreements.

- **Global Reach and Impact**

Our products are trusted in 120+ countries, backed by 2,000+ product registrations and a strong portfolio of 30+ ARV drugs.

for EVERYONE
everywhere

Uncovering life-changing therapeutics with **R&D**

3 World-class R&D centres
dedicated for development
of APIs, FDFs and Biosimilars

1 lead molecule each in
Oncology and HIV in phase
I/II clinical development

Accelerating therapeutics in **neurology, diabetes, cardiovascular diseases, hepatitis, ophthalmology, haematology, and auto-immune disorders** through rigorous clinical trials by utilizing collaborative external partnerships (Outside-In) and harnessing in-house expertise (Inside-Out) to expedite development.

Committed to Our Communities

Healthcare Access:

Mobile medical vans, vision care, nutrition support and medical equipment donations

Community Health:

Safe drinking water, sanitation facility in schools and hygiene awareness

Education & Youth:

School infrastructure, learning resources, technological support and teacher - student engagement

Sustainable Growth:

Roads, streetlights & CCTV Installations and mobility aids for differently-abled individuals

Our Aspirations:

- Future-ready healthcare systems
- Empower the next generation with education & resources
- Sustainable practices to protect the planet

#HealthForAll A Promise to Every Community

Hetero's

Purpose meets compassion

Inspired by **Dr. Bandi Parthasaradhi Reddy's** (Chairman - Hetero Group of companies) philanthropic vision, Sindhu Hospitals extends Hetero's 30-year legacy of innovative and compassionate healthcare. With main focus on oncology and supported by world-renowned specialists, the hospital combines cutting-edge technology with personalized care, redefining the treatment of critical illnesses and elevating healthcare standards.

As part of **Hetero's Corporate Social Responsibility (CSR) commitment**, Sindhu Hospitals, a not-for-profit yet premium healthcare facility, is dedicated to providing world-class healthcare to underserved communities, ensuring that both life-saving medicines and health are accessible to all, regardless of socioeconomic status.
